## STX-HTX PITCH SYNCHRONIZATION

Using the pitch rocker switches, follow instruction steps 1 - 4

- 1. Twin Pitch: press switch all the way down until you hear the system go over Relief.
- 2. Left Pitch Only: press switch all the way down until you hear the system go over Relief.
- 3. Twin Pitch: press switch all the way <u>up</u> until you hear the system go over Relief.
- 4. Left Pitch Only: press switch all the way up until you hear the system go over Relief.

NOTE: After Synchronization use ONLY the TWIN PITCH switch to pitch blades

As seen from the operators position
