

FRONT COVER CHANGE

A running production change has been made to the front gear cover of the MTX-series rammers. The thickness of the area supporting the bearing has been increased to improve durability.

Model	Effective Serial Number	Old P/N		New P/N
MTX70	S-1393	3660-10110	→	3660-10111
MTX80	S-3940	3660-10120	→	3660-10121
MTX90	S-1299	3660-10130	→	3660-10131
