

PILLOW BLOCK BEARING PRODUCTION CHANGE

The pillow bearings for the cross shaft assemblies on Mechanical Ride-On trowels are now Timken or Dodge bearings.

AFFECTED MODELS: HHN, HHX, HTN

MQ Part # 32484 is now the new service bearing that replaces **MQ Part # 10337**. The Timken/Dodge bearing serves as a direct replacement from the previous brand (JIB or Browning).

NEW STYLE BEARING (TIMKEN/DODGE)

Previously use bearings:

Browning Bearing

JIB Bearing

The Browning bearing were used from production date of 5/24/2012 beginning Serial # UE0207330

IMPORTANT: The shim (**MQ Part #11773**) on this old style JIB bearing is NO LONGER used with new bearing.

MQ Part # 11773 - shim
