REAR CASING COVER UPDATE

The rear casing cover of the QP4T-series pump has been strengthened by the addition of reinforcement ribs. The ribs are located to the left and right of the mounting holes as seen in the photo below.

OBSOLETE PART NUMBER

1466-060020-0002

NEW PART NUMBER

1466-060021-0002

The new housing retrofits onto models built prior to this update. The parts book has been updated to reflect this change which became effective with the following serial number breaks.

PUMP MODEL

QP4TH
QP4TE
QP4TZ
QP4TZLF
